

Rudy's[®]

Premium Pet Food

formulated by expert veterinarians to
meet daily nutritional needs of pets.

Rudy's[®]

Premium Pet Food

with premium quality protein sources, it provides your pets' critical amino acid requirements for organ functions and prevents allergic effects.

natural prebiotic mannan oligosaccharide (MOS) improves digestion and supports intestinal health by increasing the number of villi that provide absorption in the digestive system of pets.

with its omega 3 fatty acid (DHA) rich micro alg content and essential amino acid arginine, it supports healthy coating and enhances elasticity of skin.

with the specially processed lignocellulose it contains, it balances the calorie level of your pets.

with its micronized natural zeolite and yucca schidigera content, it regulates the consistency of stool and reduces its odor.
